## Did you know...

Streets of New York is committed to serving the finest ingredients to you and your family for the past 43 years. We start with choosing vendors that represent healthy, safety-tested consistent products to ensure the quality of ingredients that we deliver to your table. Our Italian sausage is non-GMO and antibiotic free. Our selected Italian pasta is healthy using the highest quality pasta with increased protein levels. Streets of New York meatballs are prepared and seasoned to perfection for that "old world" delicious taste. "Lorrie's Lasagna" is layered with meatball and sausage for your enjoyment. The Roast Beef, Pastrami and Turkey are chosen for their quality and delicious flavor. Streets original pizza and marinara sauce recipes are made with the finest grade Italian tomatoes imported from Naples, Italy. The tomatoes are freshly packaged in aluminum free cans with no added salt or preservatives, you will taste the difference with our sauce. The herbs and spices we use are custom blended exclusively for our recipes. Streets of New York pizza dough is made daily in our kitchens by our talented cooks. We proudly offer herb flavored Gluten-Free and Cauliflower crust. The official "Gluten Free Organization" backs us in keeping up with their standard. We have selected the highest quality, 100% real mozzarella cheese, based on perfect melt, color and flavor. We grate and slice our cheeses daily, never purchasing bagged cheese that contain added fillers and preservatives. The extra effort even trickles down to the Tuscan EVOO (extra virgin olive oil) offered in our restaurants and used in our recipes. Enjoy our traditional Italian cannoli that is prepared by an east coast bakery. The crunchy shell and smooth cannoli cream will have your taste buds singing. Streets Italian Dressing is our original recipe, the robust and zesty flavor will never let you down.

**Streets of New York has been delivering our menu directly to you using our own trusted delivery drivers for 43 years...."if you didn't know, now you know".**
